

Job Description

Job Code: #002

Role: Digital Marketing Intern

Experience: Pursuing Graduation/ Post-Graduation (Internship experience preferred).

Duration: 6 Months Internship & Placement (post-assessment)

Location: Panchkula (On-site)

Qualification: Pursuing Graduation/ Post-Graduation in Marketing, Business Administration, or a related field (**MBA / BBA in Marketing preferred**).

About the Company:

Dream IT Consulting Services is a forward-looking IT consulting firm, headquartered in Gurugram. We specialize in Cloud Data Management, Advanced Data Analytics & Visualization, ERP/CRM implementation, RPA, as well as Digital Transformation & Custom Business Applications.

Founded in 2020, our mission is to deliver secure, scalable, and sustainable solutions built on deep domain expertise and cutting-edge technology.

Our core values are **Delight, Reliability, Expertise, Adaptability, and Motivation** — and we strive to make them a part of every engagement.

About the Role:

We are looking for a creative and result-oriented **Digital Marketing Specialist** who can manage social media platforms, create engaging content, and support digital marketing campaigns. The candidate should have strong content writing skills and graphic designing knowledge.

Responsibilities:

- Manage and grow the company's **social media presence**.
- Create engaging **content for social media posts, blogs, and marketing campaigns**.
- Plan and schedule content calendars for different platforms.
- Design creatives using **Canva, Photoshop, or similar tools**.
- Monitor social media performance and engagement.
- Understanding social media marketing and content planning.
- Work with internal teams to support **digital marketing campaigns**.

Qualification & Skill Set Required:

- Pursuing Graduation/ Post-Graduation (Internship experience preferred).
- MBA / BBA in Marketing preferred.

- Strong **content writing and copywriting skills**.
- **Basic Graphic designing knowledge (Canva, Photoshop, or similar tools)**.
- Basic Understanding of **social media marketing and content planning**.
- Creative thinking with **good communication skills (Oran & Written)**.
